

CANADA 150
1867-2017

**Thames Valley Trail Association Presents:
2017 Don't Miss a Step End-to-End Hike!**

Thames Valley Trail Association in celebration of Canada's 150 anniversary is offering a special draw for hikers who complete an End-to-End (E2E) of our trail within this year.

Canada has a long legacy in preserving natural areas for us to enjoy and appreciate. TVTA continues to support this with the development and maintenance of its own trail that runs from Delaware to St. Mary's, about 118 km.

Draw prizes: 10 x \$15 MEC gift cards plus an E2E badge for the winners.

How to qualify:

1. Hike the TVTA trail and finish before the end of 2017.
2. Self-directed: Keep a log with name, date you hiked and what area you hiked on this date. Submit log to TVTA Activities Director (Activities@tvta.ca) when you complete the whole trail.
3. Join an organized TVTA End-to-End this year.
Guidebooks are available for sale, visit TVTA.ca/trail-guidebook.htm.
