

# TVTA TRAIL STATUS REPORT FORM

Adapted from the Bruce Trail Report Form

<b>Trail Captain</b>	<b>Tel/e-mail/Fax</b>	<b>Signature</b>	<b>Date Submitted</b>	<b>Areas covered &amp; dates inspected. * Please use km reading as given in the TVTA Trail Guide.</b>
<b>Maintenance Director</b>	<b>Tel/e-mail/Fax</b>	<b>Signature</b>	<b>Date Received</b>	<b>Section</b>

This trail inspection report must be submitted 2 times a year. Once in spring by May 15 and again by Sept 15

	Details	*At Km	Done	Need help	Need Work Party (suggested date)
1	Refuse, Garbage, Vandalism				
2	Corridor needs upgrading to BTA standard. Guide p. 19-21, summary p. 3				
3	Needs mowing (m), brush cutting (b), manual weed slasher (w)				
4	Tree/brush obstructions and hazards (Fallen trees, dead limbs, leaning trees, etc.)				
5	Other natural hazards (large holes, roots, steep slopes)				
6	Unsafe structures such as bridges, boardwalks, fences/wires				
7	Wet areas causing detours/inconvenience				
8	Environmental - erosion, etc.				
9	Blazes overgrown, need repaint, old blazes not scraped. Abandoned trails not blocked.				
10	Signs (missing, misleading, needed)				
11	Major changes by property owner (logging, development, for sale, gravel pits, etc)				

**Bridge/ Boardwalk Inspection.** If there are any such structures on your section, please inspect for safety e.g damaged or missing deck boards or railings; signs of rot in structure; insecure foundations e.g. resulting in wobble or tilting; erosion of surroundings likely to lead to loss of stability; flood damage or movement

There are no bridges/boardwalks on this section    
  Structures inspected and appear to be sound  
 Problems noted (give full details on separate page incl. location of structure - use its ID label where possible)

**Trail Captain's Comments** (please expand on above plus suggested improvements, tools needed, suggested route changes, signs of unauthorized use (bikes, ATV's etc.)).
